

Motivational Interviewing Training Series

Denise Ernst, Ph.D.
Stéphanie Wahab, Ph.D., M.S.W.

Advanced Topics: Cultivating Change Talk

June 26, 2018 - \$225

In this 1-day workshop you will:

1. Deepen your ability to recognize change talk and sustain talk
2. Practice cultivating change talk and softening sustain talk
3. Deepen your ability to evaluate your own skills of cultivating and responding to change talk

Target Audience

This training is appropriate for helping professionals with previous MI training AND practice experience in the role of supporting individuals to make and sustain behavior changes: social workers, physicians, nurses, health educators, care managers, dieticians, counselors, psychologists, life and health coaches, clergy, probation/corrections officers, personal trainers, school counselors, and educators.

Included in the Workshop

- 7 hours of high-level training from very experienced national and international MINT trainers
- Light breakfast/Coffee Breaks/Light Snacks
- University venue with local food carts and hotels within walking distance
- 6.5 Social Work CEUs from NASW
