

Motivational Interviewing Training Series

Denise Ernst, Ph.D.
Stéphanie Wahab, Ph.D., M.S.W.

Two-Day Intermediate/Advanced MI

September 10th-11th, 2020 - \$450

This 2-day intensive workshop (part of an MI training series, ask for full flyer) will:

1. Explore what is new in MI from the MI-3 text
2. Deepen OARS skills
3. Deepen your ability to recognize, elicit, and respond to change talk and sustain talk
4. Grow your dancing with discord skills
5. Learn strategies for when, how to initiate a change plan
6. Learn how to offer information and education in an MI-consistent manner

Target Audience

This training is appropriate for helping professionals with previous MI training AND practice experience in the role of supporting individuals to make and sustain behavior changes: social workers, physicians, nurses, health educators, care managers, dieticians, counselors, psychologists, life and health coaches, clergy, probation/corrections officers, personal trainers, school counselors, and educators.

Included in the Workshop

- 14 hours of high-level training from very experienced national and international MINT trainers
- Light breakfast/Coffee Breaks/Light Snacks
- University venue with local food carts and hotels within walking distance
- 13 Social Work CEUs from NASW (6.25 and 6.75 Hours)

Held in Beautiful Portland, Oregon

Training Location – Portland, Oregon

Details of location TBA (likely on Portland State University campus).
